Thulasiram of Sri Aurobindo Ashram prays APJ (Jothi) for success of 3rd world samarasa suddha sanmarga conference in its deliberations and decision - makings with an eye to the future. There are two aspects.

1. What we have to do to spread Vallalar's message to the world by multi-media and by various kinds of platforms.

2. What vallalar Himself have done and achieved in bringing the divinely ordained rule of Grace over the world, but largely unrecognised by us all, by sanmargis too. They are listed now :

A) Because of Vallalar, the Divine manifested on earth as Arutperum Jothi Andavar and settled permanently at Vadalur ever since 30th Jan 1874.

B) As promised Vallalar has entered into all the bodies of men ever since 1874, bringing His active Grace - Power (Arut Sakthi) in the environmental body of all men.

C) Since 1945, He has brought a greater ruling Grace - Power in UNO, the world body of united nations and He is now ruling the world through UNO and its Agencies, Olympic and all International forums and Work-shops on all fields of life and also brings to bear directly His Grace - Power on World - Politics, Administration, Health, Arts and Sciences, Culture, Education, Trade and Industry, IT multimedia technologies, Social Welfare and above all the world unity cum spiritual unity beyond all religions etc.

D) But since the beginning of the New Millennium, or the 21st Century, He has been over-ruling the world in all fields of life, both collectively and individually by bringing into play the highest divine power of Grace on men and matters and events. This power is inherent in His self-created or re-created ever living radiant and deathless body which is radiating now the Grace - Light (Arut Jothi) all around it from head to foot, and above and below. This He created soon after dematerialising His body to enter into all the bodies. His new radiant body has been seen by the Mother of Sri Aurobindo Ashram in 1906 - 07 and by me in 1981.

E) He has brought this over-ruling Grace -Power in all Temples, Mosques, Churches, and other Shrines, which is felt in their premises and especially in their Towers, inner shrine and in pooja flowers and garlands decorated there, and likewise in all great ashrams, old and new, and in their founding spiritual masters and even their pictures and idols. By this means Vallalar reaches all the devotees in general and blesses them with the unique Grace-Power and even in their mind and body.

The above finding and events are proveable by a comparative study of powers.

1. By seeing the picture of events or of persons or Mahans or of sacred shrines concerned, alternately with the pictures of sathya gnana sabai and vallalar's or ordinary picture and the radiant picture of Vallalar.

2. By seeing the said pictures in the media, in TV etc.

3. By touching and feeling their comparative powers in their respective spiritual -physical magnets.

So in this developed Grace-Rule of Vallalar, we are supported by Him to carry His message of Grace, Love, Compassion and Spiritual Unity of the Man kind to the world at large. For this purpose it is also important to publish Vallalar's picture as in His new, radiant body, with Grace-Light surrounding it from head to foot and as seen by me and the Mother in our visions.

With love to all.

T.R. Thulasiram,  
Sri Aurobindo Ashram.
